Disclaimer of Warranties

Great River Hydro, LLC ("Great River Hydro") maintains this web site for informational purposes only. Great River Hydro may revise and update the terms and conditions contained in the Legal Notice at any time and without notice. Great River Hydro will use reasonable efforts to include accurate, relevant and up to date information on this web site. However, Great River Hydro does not warrant or make any representations or claims of any kind, either express or implied, as to the validity, correctness, currency or otherwise of the information (including any software, text or graphics) provided at this site, or at any links to external sites, including warranties of merchantability, non-infringement of intellectual property rights, third party rights, title, latent defects, uninterrupted service, fitness for any particular purpose or freedom from computer viruses.

In no event shall Great River Hydro, its corporate affiliates, or its or their directors, members, officers, employees or agents be liable or responsible for any claim, losses or damage, whether direct, special, indirect or consequential, arising out of the interpretation, reliance upon or other use, authorized or unauthorized, of such information, including, without limitation, damages for lost revenue, lost or damaged data, costs or other commercial or economic loss, whether based in contract, tort or any other theory of liability, arising out of (1) your access to, use of, reliance on, inability to use or misuse of this web site or any material on the web site, (2) any use or inability to use any materials, software, content, goods or services located at or made available at any website linked to or from this website, or any consequences flowing therefrom, (3) any inaccuracy or omission in information contained on this web site or the failure to keep the information current, (4) any Internet software used in connection with this web site or computer viruses or other destructive programs encountered as a result of using this web site, and (5) any other matter connected with this web site. The foregoing limitation shall apply even if Great River Hydro is advised of the possibility of such damages, losses or expenses. Some jurisdictions do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. Information may be changed or updated without notice.

Forward-Looking Information

This web site may contain certain information that is forward-looking and is subject to important risks and uncertainties. The words "anticipate", "expect", "believe", "may", "should", "estimate", "project", "outlook", "forecast" or other similar words are used to identify such forward-looking information. Forward-looking statements in this site are intended to provide securityholders and potential investors with information regarding Great River Hydro and its corporate affiliates, including management's assessment of Great River Hydro's and its corporate affiliates' future financial and operations plans and outlook. Forward-looking statements in this document may include, among others, statements regarding the anticipated business prospects and financial performance of Great River Hydro and its corporate affiliates, expectations or projections about the future, and strategies and goals for growth and expansion. All forward-looking statements reflect Great River Hydro's beliefs and assumptions based on information available at the time the statements were made. Actual results or events may differ from those predicted in these forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among others, the ability of Great River Hydro to successfully implement its strategic initiatives and whether such strategic initiatives will yield the expected benefits, the operating performance of Great River Hydro's energy assets, the availability and price of energy commodities, capacity payments, regulatory processes and decisions, changes in environmental and other laws and regulations, competitive factors in the energy sectors, construction and completion of capital projects, labor, equipment and material costs, access to capital markets, interest and currency exchange rates, technological developments and the current economic conditions in North America. By its nature, forward looking information is subject to various risks and uncertainties, which could cause actual results and experience to differ materially from the anticipated results or expectations expressed. Additional information on these and other factors is available in the reports filed with the U.S. Securities and Exchange Commission (SEC). Readers are cautioned to not place undue reliance on this forward looking information, which is given as of the date it is expressed in this web site or otherwise, and to not use future-oriented information or financial outlooks for anything other than their intended purpose. Great River Hydro undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
